Licensing

Free Trial Fonts License
Trial fonts allow you to play with the fonts at no cost.
You can use them to create mockups before getting client approval. Students are allowed to use them for non-commercial university projects too.

Desktop License
This license is used for creating printed documents, logos, website graphics, and so on. Desktop fonts are licensed for a certain number of computers in your organization.

Webfont License
This license is what you purchase to use the typefaces on websites with the @font-face technology. You may use them for website mockups. Webfonts are licensed for a certain number of website visitors per month.

Mobile App License
This is the license to embed the fonts in your mobile application. Mobile app fonts are licensed for a certain number of developers and valid for Android and iOS

All for one
This is the license you can use on any supports (Deskop,web,app). Available only for some specific fonts.

About

Massara David is an independent Swiss graphic designer with a passion for type design. Focusing to make original & unique typefaces with a contemporary aesthetic, reflected in the visual but also the technical standard of the fonts.
